KEYSTONE PARTY REGISTERS WITH ELECTIONS MANITOBA

A new political party has officially become registered in Manitoba. By collecting 2,500 signatures of individuals who were eligible voters in the last general election and filing the required forms and statements, the Keystone Party (KP) is now registered under *The Election Financing Act* (EFA).

Registering with the Chief Electoral Officer allows a political party to:

- be identified on the ballot beside the name of its endorsed candidates,
- accept contributions and issue tax receipts for them,
- receive reimbursement for election expense, and
- participate in advisory committees.

Contact information for the Keystone Party may be found on the Elections Manitoba website at http://www.electionsmanitoba.ca/en/Political_Participation/Registered_Political_Parties.
