TARGETED REGISTRATION BEGINS TODAY FOR ST. BONIFACE BYELECTION

Elections Manitoba officials will begin targeted registration in the St. Boniface electoral division today. Officials will visit homes where voters may have moved recently, as well as new homes and multiple residences, like apartment buildings. Voters who are unsure whether they are registered to vote can call the returning office.

Targeted registration for St. Boniface runs until May 14. The date for the byelection is not yet set.

Landlords are reminded that the law requires them to allow election officials, candidates and their representatives access to apartment buildings and condominiums.

Voter Information Card

Once the byelection is called, eligible voters will receive a Voter Information Card in the mail. All individual Voter Information Cards for one household will come together in one envelope. The card tells voters when and where they can vote.

Revision period for updating and correcting information on the voters list

St. Boniface voters who do not receive Voter Information Cards, or whose name or address is incorrect, should contact the returning office to register to vote or to update their information. People who have become eligible to vote since the last provincial election, such as those who turned 18 or became Canadian citizens, should also register by contacting the returning office.

Voter eligibility

To be eligible to vote, individuals must:

- Be Canadian citizens
- Be at least 18 years old on election day
- Have lived in Manitoba for at least six months immediately before election day
- Live in the St. Boniface electoral division

If personal security is a concern, voters can apply to have their name left off the voters list.
