Check with your returning officer for the exact date.

PART 3 – NAMES, ADDRESSES AND SIGNATURES OF ELIGIBLE VOTERS

At least 50 names, addresses and signatures of eligible voters who reside in your electoral division are required to nominate you as a candidate. You are advised to get more than 50 signatures in case any names are not accepted because they are not eligible voters or do not live in the electoral division. Make sure the full names and addresses are printed clearly, as each entry has to be verified by the returning officer. **Addresses of these voters must be civic or geographic addresses, not mailing addresses, so the returning officer can verify each address as an address in the electoral division. P.O. Box numbers and R.R. numbers will not be accepted.**

If more than one person in your campaign is collecting signatures, Part 3 of the nomination papers can be photocopied for the purpose of collecting signatures and attached to the nomination paper. Only one Part 1 is to be filled out and signed in the appropriate manner.

Verifying the signatures in Part 3 can be completed within a day of the returning officer receiving the nomination papers. Rather than having you wait in the returning office while this is being done, the returning officer can photocopy page 1 of the nomination form that contains the "RETURNING OFFICE USE" box as your proof of delivering the nomination paper. You will be contacted as soon as the verification is completed so you can pick up the official Certificate of Acceptance for Nomination Paper on page 5 of the nomination form.

PART 4 – ACCEPTANCE/REFUSAL OF NOMINATION

The Certificate of Acceptance for Nomination Paper

As soon as your nomination paper is received by the returning officer he or she will begin the verification process. This will include:

- Making sure all information required has been completed and
- Verifying the 50 names, addresses and signatures supplied are eligible voters in the electoral division for which you are being nominated.

Once this process is complete and all information is found to be complete and accurate, the returning officer will issue the Certificate of Acceptance for Nomination Paper which will then make you an official candidate in the provincial election.

The Notice of Refusal to Accept Nomination Paper

If after the verification process the returning officer finds an error or omission on the paper, it can be corrected. However, the corrected form must be submitted to the returning officer before the 1:00 p.m. nomination deadline. **Please note: If there are errors or omissions in the nomination paper after the 1:00 p.m. deadline, the returning officer will issue a notice of refusal.**
