## Independent Auditors' Report

To Janelle Charriere, Official Agent for Patrick Allard, and Patrick Allard, the Candidate

### Qualified Opinion

We have audited the accompanying Form 922, Candidate's Financial Statements and Supporting Schedules, prepared in accordance with the accounting requirements of The Election Financing Act of Manitoba and Accounting Guide – Accounting For Purposes of The Election Financing Act issued by the Chief Electoral Officer, for the candidacy of Patrick Allard for the candidacy period from July 3, 2023 to December 4, 2023 relating to the election held on October 3, 2023 in the Electoral Division of St. Johns.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying Form 922, Candidate's Financial Statements and Supporting Schedules for Patrick Allard are presented fairly, in all material respects, in accordance with the accounting requirements of The Election Financing Act of Manitoba and Accounting Guide – Accounting for Purposes of The Election Financing Act issued by the Chief Electoral Officer.

### Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in any election campaign, the completeness of contributions and donations in kind income and expenses is not susceptible of satisfactory audit verification. Accordingly, our verification of contributions and donations in kind income and expenses was limited to the amounts recorded in the candidate's election campaign records and we were not able to determine whether any adjustments might be necessary to assets, liabilities, income, expenses and campaign period surplus or deficit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Form 922, Candidate's Financial Statements and Supporting Schedules of our report. We are independent of the Candidate in accordance with the ethical requirements that are relevant to our audit of the financial statement in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### Responsibility of Management and Those Charged with Governance for Form 922, Candidate's Financial Statements and Supporting Schedules

The Official Agent and Candidate are responsible for the preparation and fair presentation of Form 922, Candidate's Financial Statements and Supporting Schedules in accordance with The Election Financing Act of Manitoba and Accounting Guide – Accounting for Purposes of The Election Financing Act, and for such internal control they determine is necessary to enable the preparation of Form 922, Candidate's Financial Statements and Supporting Schedules that is free from material misstatement, whether due to fraud or error.

### Emphasis of Matter - Basis of Accounting

We draw attention to Note 1 to Form 922, Candidate's Financial Statements and Supporting Schedules, which describes the basis of accounting. Form 922, Candidate's Financial Statements and Supporting Schedules are prepared to assist the candidacy of Patrick Allard to meet the requirements of The Election Financing Act of Manitoba. As a result, Form 922, Candidate's Financial Statements and Supporting Schedules may not be suitable for another purpose.

## **Auditors' Responsibilities for the Audit of Form 922, Candidate's Financial Statements and Supporting Schedules**

Our objectives are to obtain reasonable assurance about whether Form 922, Candidate's Financial Statements and Supporting Schedules as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of Form 922, Candidate's Financial Statements and Supporting Schedules.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of Form 922, Candidate's Financial Statements and Supporting Schedules, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, and related disclosures made the Official Agent and Candidate
- Evaluate the overall presentation, structure and content of Form 922, Candidate's Financial Statements and Supporting Schedules, including the disclosures, and whether Form 922, Candidate's Financial Statements and Supporting Schedules represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
